COMPLAINTS, GRIEVANCES AND APPEALS POLICY – ALL STUDENTS

In the event of a dispute between an individual student and AIMET, internal procedures are in place to facilitate the resolution of the dispute. Full details are published on the website www.aim.com.au.

1. The College will ensure fair and equitable management of complaints, grievances and appeals by providing a transparent, timely and consistent process for resolving complaints, grievances and appeals.
2. All students will be able to view this policy prior to enrolment and will be advised to read it at the commencement of a course with the College.

Informal Complaints

All students and prospective students are encouraged to resolve grievances by bringing the matter directly to the attention of the College staff member concerned. If

the student / prospective student is not satisfied with the outcome he/she may choose to lodge a formal complaint under this policy.

Formal Complaints

Students and prospective students must submit their formal complaint in writing using a Feedback Report available at <http://www.aim.com.au/training/student-information> or via email to: compliance@aim.com.au

It is essential that the following information is included in the email / letter:

- a. details of the complaint;
- b. supporting information that the complainant wishes to have considered;
- c. an explanation of the steps already taken to try to resolve the complaint informally and why the responses received are not considered satisfactory; and
- d. what the complainant thinks needs to be done to address his/her concerns.

1. Upon receipt of the formal complaint the Head of Student Engagement will respond to the complainant in writing and acknowledge receipt of the complaint. The date of this notification becomes the commencement date of the complaint process. An entry is created in the Complaints Log and this register is continually updated each step of the remaining procedure.
2. The complaint will be investigated by the Head of Student Engagement who will discuss the issues with the person(s) concerned. If the complaint is about the Head of Student Engagement it will be handed to the Director, Customer Success, who will follow the complaint through to a final solution.
3. The complainant will be provided with a written report of the steps taken to address the complaint within 21 days of the commencement date of the complaint process. If the complaint is upheld the Head of Student Engagement will immediately notify relevant staff to implement the actions required to resolve the complaint. If the complaint is not upheld then the complainant will be given a written explanation detailing the reasons for that decision. The complainant will also be advised of his/her right to access the internal appeals process if not satisfied with the outcome of the formal complaint.

The Head of Student Engagement will retain a written record of the complaint and its outcome.

 - c. any other information the student/prospect wishes to be considered.
-
1. Upon receipt of the written Appeal the Director of Customer Success will respond to the student / prospect in writing and acknowledge receipt of the Appeal. The date of this notification becomes the commencement date of the appeal process.
 2. The Appeal will be considered by the Director of Customer Success who may decide:
 - a. to make a determination based on the information provided; or
 - b. that there are insufficient grounds to take further action, thus concluding the consideration of the matter under this process.
 3. The student / prospect will be advised in writing of the decision and the reasons for it within 14 days of the commencement date of the appeal process.

If the appeal is upheld the student / prospect will be informed of the action to be taken to resolve the matter. The College will immediately implement any decision and/or action required.

If the appeal is not upheld the student / prospect may wish to seek external advice regarding other legal remedies.

A summary of the external grievance procedures

A student enrolled in a VET FEE-HELP eligible course who wishes to lodge an external appeal or complain about a decision made by AIMET, may apply to the Administrative Appeals Tribunal (AAT) for review of a decision. He/she may have to pay an application fee; it depends on the circumstances. The application cannot proceed until the application fee has either been paid or waived. (The application fee is refunded when the review is completed if the AAT decides that it is finalised in the student's favour.) Further information about the Administrative Appeals Tribunal, including the required application forms and current costs, can be obtained from their website at: <http://www.aat.gov.au/AboutTheAAT/IntroductionToTheAAT.htm>.

Students who are enrolled in courses which are not VET FEE-HELP eligible who wish to lodge an external appeal or complain about a decision made by AIMET may take action under Australia's Consumer Protection laws by contacting the Office of Fair Trading in their state, or the Australian Skills Quality Authority on <http://www.asqa.gov.au/>. Depending on the circumstances of the case some bodies may require that the College's internal appeals process first be exhausted before making an external appeal. Also, within each state there are Dispute Resolutions Centres; details of these can be accessed through the links following:

Changes to Arrangements

After course commencement, the College reserves the right to charge an Adjustment Fee of AU\$150 each time course details for a non-VET FEE-HELP eligible course are changed after a place has been confirmed. This fee will not apply to upgraded or extended courses or to single subject courses.

Services

The College reserves the right to change the particulars of the services, including changes to prices, courses, facilities and dates of programs where circumstances beyond the College's control necessitate such changes or where the level of enrolments does not reach the minimum numbers required to operate a course viably.
